

YADELEW ZEMENE

Addis Ababa, Ethiopia | +251 975596676 | yadelewze@gmail.com
github.com/Yadelew-zemene | linkedin.com/in/yadelew-zemene

Full-Stack Developer with expertise in JavaScript, TypeScript, and Python. Experienced in building responsive web applications and portals using Next.js and Nest.js. Skilled in machine learning model development and predictive analytics. Dedicated to creating scalable, user-centric digital solutions.

EDUCATION

B.S. in Computer Science — Addis Ababa University

2023 – Present

GPA: 3.88 / 4.00

SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript, Tailwind CSS, Responsive Design

Backend: Node.js, Express, Nest.JS, REST APIs, Python, Java, C++

Database & Tools: PostgreSQL, MySQL, MongoDB, Docker, Git, Vercel, Postman

PROFESSIONAL EXPERIENCE

Software Engineering Intern — Brana Software Solution (Software Company)

Dec 2025 – Apr 2026

- Developing mobile and web portals using Next.js, TypeScript, and Tailwind CSS.
- Building interactive dashboards and reusable UI components.
- Integrating backend services with Nest.JS APIs and PostgreSQL for secure transaction flows.

Machine Learning Intern — DevTech

Sep 2025 – Oct 2025

- Trained predictive models using NumPy, Pandas, and Scikit-learn in Python.
- Performed data cleaning and feature engineering to optimize model accuracy.
- Visualized experimental results using Matplotlib and documented workflows in Jupyter.

SELECTED PROJECTS

SkillMatch Platform

2025

- Engineered a resume-parsing engine using Python and Spacy for skill extraction.
- Developed the full-stack architecture using Next.js and Node.js with MySQL.

AI Markdown Assistant

2025

- Created an AI-powered writing assistant for technical content generation.

CERTIFICATIONS & HACKATHONS

- Certificate of Participation** – National Competitive Programming Hackathon, ALX Ethiopia Code League (Dec 2025)
- Machine Learning Internship Certificate** – DevTech (Nov 2025)
- Certificate of Appreciation** – Transformative Training Program, YeBen Endowment Fund (Dec 2024)
